 INCUBATION CENTRE VISIT

The Entrepreneurship Development Club, Mercy College Palakkad organised the Incubation Centre visit to AIC RAISE Incubation Centre at Rathinam College TechZone on 3<sup>rd</sup> February 2026 at 10:00 am to 3.00 pm. The event aimed to encourage creativity and support students who are interested in entrepreneurship. The event was successful with over 20 students participating in it. During the visit, we were given an introduction to the incubation Centre, its facilities, and the various startups currently working there. The coordinators explained the process of selecting startups, the mentoring system, and the support provided to entrepreneurs. We also visited the working spaces and interacted with team members. We learned how incubation center's help startups grow, the importance of innovation, teamwork, and proper planning in business development. The session also gave us motivation to develop our own ideas. The visit to AIC RAISE at Rathinam College TechZone was very informative and useful. It helped us understand the real working environment of startups and encouraged us to think creatively about future business opportunities.

 INDUSTRIAL VISIT

Industrial visit for second year students as part of Entrepreneurship Development was arranged to Anna Aluminium, Ernakulam on 7<sup>th</sup> January 2026. The students were able to understand the process of making Aluminium sheets and various Aluminium products also helped them to see manufacturing unit with its working. The process of moulding the Aluminium and turning them to different utensils according to the size and thickness was very interesting. Even though we had some restrictions to certain department due to safety as it is related to manufacturing with heavy machines and fire. The visit was a very informative and provided opportunities for students to enrich their knowledge. More than 100 students attended the industrial visit and made it very much appreciable.

## REPORT ON 'SAREE DESIGNING COURSE'

The Student Union of Mercy College 2025–26 and Entrepreneurship Development Club successfully organized one day women entrepreneur program entitled 'Saree Designing Course' celebrating women's day in association with Rotary Club Palakkad East and Pidilite Industries ensuring the participation of 100 women on 6<sup>th</sup> March 2026 at college auditorium. This initiative aimed to encourage and empower women by introducing them to creative skills, entrepreneurship opportunities, and innovative art and craft techniques. The session inspired participants to explore their talents and take confident steps towards becoming successful women entrepreneurs. The event was a wonderful platform for learning, creativity, and motivation, bringing together women who aspire to build their own identity through skill and entrepreneurship. #fevismart #hobbyideasindia #fevicryl
