Purpose of the MoU

The purpose of this MoU is to establish a mutually beneficial collaboration between **Aspire Tech Park** and the **Department of Biotechnology, Mercy College** and skill enhancement modules for students.

Scope of the MoU

1. Training and Internships

- Aspire Tech Park shall conduct certificate-based training programs and internships using the infrastructure of the Department of Biotechnology, Mercy College.
- All training modules will be fully designed, structured, and managed by Aspire Tech Park in alignment with industry/job placement needs.
- The curriculum may be customized to suit the Department of Biotechnology, Mercy College students' interests, but Aspire Tech Park retains control over the final structure and delivery.
- Aspire Tech Park will ensure the timely completion of committed training modules with proper evaluation and certification.
- Mercy college Department of Biotechnology, has to ensure the course participants are minimum 30 students for a Batch

2. Project Support

- Aspire Tech Park may engage students in short-term and long-term research and application-oriented projects within the Department of Biotechnology, Mercy College facilities.
- Projects aligned with industrial or scientific value will be encouraged under joint branding.

3. Facility Usage

- Department of Biotechnology, Mercy College agrees to provide access to classrooms, labs, seminar halls, and equipment (as mutually agreed) for Aspire Tech Park programs on a paid basis, under the "Educational Purpose" category.
- Any outsourced activity (e.g., sample processing) using Department of Biotechnology, Mercy College labs will be billed as per institutional policy for educational use.

4. Outstation Accommodation

- Department of Biotechnology, Mercy College, agrees to provide assistance in arranging on-campus or nearby accommodation for outstation participants of Aspire Tech Park programs, on a paid basis.

5. Faculty Engagement

- Aspire Tech Park may invite the Department of Biotechnology, Mercy College faculty to serve as Expert Consultants, Resource Persons, or Panelists in Aspire Tech Park -led forums, conferences, and events.
- Honorarium, travel, food, and stay will be fully arranged by Aspire Tech Park as per event requirements.

6. Financial Engagement.

- Aspire Tech Park will pay the Department of Biotechnology, Mercy College, the agreed institutional share per participant based on mutual discussion.
- Department of Biotechnology, Mercy College shall collect fees directly from students for Aspire Tech Park led modules under this MoU.
- Aspire Tech Park shall be solely responsible issuance of certificates to the students

7. Joint Initiatives

- Aspire Tech Park and the Department of Biotechnology, Mercy College may collaboratively conduct National/International Conferences, Symposium, Hands-on training workshops, or job-placement-oriented bootcamps under co-branding.
- Paid Internship programs
- Research and consultancy

Confidentiality Clause

Both parties shall maintain the confidentiality of proprietary or sensitive information exchanged or developed during the tenure of this MoU.

Intellectual Property & Research Acknowledgment

Any research work, publications, or technical presentations arising from this collaboration shall duly acknowledge **both Aspire Tech Park and the Department of Biotechnology, Mercy College**. Any resulting intellectual property (IP) will be handled on a case-by-case basis through mutual agreement.

Validity and Term

This MoU shall remain in force for **three (3) Years** from the date of signing. It may be extended by mutual consent in writing. Either party may terminate the MoU by giving a written notice of 30 days.
