

PG and Research Department of Botany

An Exhibition on Medicinal Plant - മരുന്നിനില

The PG and Research Department of Botany, in association with the IQAC, organized a Medicinal Plant Exhibition - മരുന്നിനില on 12-08-2025 at 12:50 PM in the Botany lab.

The programme was coordinated by Dr. Jelly Louis. Various medicinal plants which were the constituents of *Dashapushpam*, *Dashamoolam*, *Pathila* were displayed. Around 100 medicinal plants which were traditionally used in Ayurveda and in Folklore medicine were exhibited. Around 70 students visited the exhibition.
