The Department of Languages (Hindi), Mercy College, Palakkad, joyfully celebrated Hindi Fortnight 2025 by organizing a One Day Seminar on "Rajbhasha Hindi" on 19th September 2025 at the seminar hall. The programme was conducted under the NAPE (National Policy on Education) initiative. The aim of the programme was to spread awareness among students about the role of Hindi as the official language of India, to highlight its significance in administration, education, and cultural harmony, and to inspire the younger generation to value and promote Hindi while respecting India's linguistic diversity. The seminar was inaugurated by Dr. Sr. N M Louly, Principal, Mercy College, Palakkad, who in her address emphasized the importance of language in cultural identity and national unity. The keynote lecture was delivered by Dr. Mahima M, Assistant Professor, Department of Hindi, Govt. Victoria College, Palakkad. With great clarity and depth, she traced the journey of Hindi as Rajbhasha, explained the constitutional provisions related to it, and discussed its practical role in today's multilingual India. She emphasized the need for students to take pride in Hindi while also celebrating the plurality of Indian languages. Her talk was both insightful and motivating, leaving the audience with new perspectives. The seminar enriched the students' understanding of Hindi as the official language of India, deepened their awareness of its constitutional importance, and inspired them to take pride in promoting Hindi while respecting linguistic diversity. The interactive sessions enhanced student participation and created a spirit of cultural unity, making the programme both educational and motivating.
