

ENTREPRENEURSHIP DEVELOPMENT CLUB

REPORT – INDUSTRIAL VISIT

Industrial visit for second year students as part of Entrepreneurship Development was arranged to Milma dairies, Ernakulam on 20/02/2025. The students were able to understand the process of making milk and various milk products also helped them to see manufacturing unit with its working. The process of pasteurising the milk and turning them to different packets according to the fat content was very interesting. Even though we had some restrictions to certain department as it is strictly related to food processing in order to avoid contamination. The visit was a very informative and provided opportunities for students to enrich their knowledge. More than 100 students attended the industrial visit and made it very much appreciable.

ENTREPRENEURSHIP DEVELOPMENT CLUB

REPORT – COMFIESTA

Entrepreneurship Development Club arranged trade fair on 27th September 2024 including cotton fabrics, jute bag, other items. Also, accessories made by our students were displayed and sold during the fair. It was an exciting experience for our students to know about marketing their products and earn profit. The fair was attended by students from other schools and colleges including public from outside the campus. The fair was a grand success and provided opportunities for students to share their ideas and enrich their knowledge regarding sales and marketing.

ENTREPRENEURSHIP DEVELOPMENT CLUB

REPORT – MERCY CART

Entrepreneurship Development Club arranged tailoring class for our students to produce cloth bag to avoid usage of plastic bags as an awareness of using biodegradable bags. The cloth was made under the logo Mercy Cart and bags were sold with minimum profit. The session was conducted to students from various departments. The session was a very informative and provided opportunities for students to involve themselves in self-employment.
