POWERPOINT PRESENTATION COMPETITION

Objectives: The competition aimed to provide a platform for students to effectively communicate scientific ideas and promote interest in contemporary and fundamental physics topics. It also focused on developing clarity, confidence, and critical thinking through structured academic presentations.

Report: The PowerPoint Presentation Competition was held on 22 December 2025 at 12:30 PM in Seminar Hall 15 (SM 15) and witnessed the participation of 26 students from both undergraduate and postgraduate sections. Each participant was allotted 8 minutes for presentation, followed by a brief interaction with the judges, and the sessions showcased a wide range of physics topics reflecting students' academic curiosity and originality.

Outcome: The presentations were evaluated based on clarity of content, depth of subject knowledge, slide design, time management, and overall presentation skills. The event successfully enhanced students' confidence, subject understanding, and presentation abilities, making the programme both informative and engaging.

First Place (UG Section): Saniya Varghese (FYUGP, 4th Semester)

First Place (PG Section): Silpa Joseph (M.Sc., 3rd Semester)
