Accredited by NAAC with A Grade IV Cycle

## RESEARCH & POSTGRADUATE DEPARTMENT OF PHYSICS

### COACHING FOR COMPETITIVE EXAMINATIONS

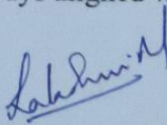

**Objective:** The programme aimed to create awareness among students about competitive examinations, including Civil Services, and to introduce a structured coaching framework supporting career progression. It also sought to motivate students towards systematic preparation alongside their academic curriculum.

**Report:** The Research and Postgraduate Department of Physics, in collaboration with PSCMitr, organized an introductory session on “Coaching for Competitive Examinations & Civil Services” on 16th September 2025 at Mercy College Palakkad. A follow-up session on 16th October 2025, led by Mr. Shijin T. N., Co-founder and product owner of Afotech Innovation, focused on problem-solving strategies and effective examination techniques.

**Outcome:** The programme enhanced students’ awareness of competitive examination opportunities and improved their analytical and problem-solving skills. It enabled students to plan structured and affordable preparation pathways aligned with their academic learning.
