RESEARCH & POSTGRADUATE DEPARTMENT OF PHYSICS POWER QUIZ 2025

REPORT

Objectives

- To enhance students' knowledge on energy and electricity-related technologies.
- To encourage critical thinking and quick decision-making.
- To strengthen academic collaboration with the KSEB Officers Association.

Outcomes

- Students gained increased awareness and understanding of energy production, distribution, and related technologies.
- The quiz boosted confidence, competitive spirit, and problem-solving skills among participants.
- Strengthened the relationship between the college and KSEB, opening avenues for future collaborations.

The Department of Physics, Mercy College, Palakkad, in collaboration with the KSEB Officers Association, conducted the **Power Quiz 2025** on **6 November 2025** at **12:30 PM** in **SM14**. **Forty-five** students from different departments participated in the quiz. **Reshma G** of first MSc Physics and **Anagha Suresh** of third year BSc Chemistry secured first and second positions. The programme successfully met its objectives and the event was an academically enriching and impactful initiative.
