## Career Orientation Program: Focusing Younger Minds to Pursue Their Goals

The PG Research and Department of Botany, Mercy College, Palakkad organized a Career Orientation Program titled “Career Orientation Program: Focusing Younger Minds to Pursue Their Goals” on 22/12/2025 at 2.30 PM in the Botany Laboratory, with the participation of 30 students.

The program began with a prayer by Aiswarya, followed by a welcome address by Asma, student of First year M. Sc. Botany. The session was handled by Mr. Gerin Prince, Ph.D. Scholar (DAAD, GATE-XL, BT), from the Department of Hematology and Oncology, University Medical Center Schleswig-Holstein, and the University Cancer Center Schleswig-Holstein, Lübeck, Germany, who delivered an inspiring and informative talk on career opportunities, higher studies, research pathways, and international exposure in the field of life sciences, motivating students to set clear goals and pursue them with dedication.

The interactive session helped students gain clarity about competitive exams, scholarships, and research careers. The program concluded with a vote of thanks by Pooja, student of First year M. Sc. Botany, expressing gratitude to the resource person and the organizing department for the successful conduct of the program.
