## RESEARCH & POSTGRADUATE DEPARTMENT OF PHYSICS

### PHYSICS ASSOCIATION VALEDICTORY FUNCTION

**Objective:** To conduct the valedictory function of the Physics Association for the year 2025-26 and recognize students' achievements in various academic and co-curricular competitions. The program also aimed to introduce and encourage the new initiative "Earn While You Learn," promoting financial independence among students.

**Report:** The valedictory function was held on 3 March 2026. The session began with a welcome speech by the President of the association Ms. Avani, followed by report readout by the secretary. Prizes were distributed to the winners of various competitions conducted during the year. "Earn While You Learn," was initiated by the department to promote and encourage financial independence among students. The program concluded with a vote of thanks by the Vice President of the Student Association -Ms Sania Vargheese. The session ended with photo session with the prize winners.

**Outcome:** The program appreciated and motivated students for their achievements and active participation in departmental activities. It helped students to recollect all the events of the year in a chronological order.
