RESEARCH & POSTGRADUATE DEPARTMENT OF PHYSICS OLD AGE HOME VISIT

REPORT

Objectives

- To develop compassion and social responsibility among students towards elderly people.
- To interact with the residents of the old age home and understand their experiences.

Expected Outcomes

- Students developed empathy and respect for senior citizens through direct interaction.
- The visit brought happiness and emotional comfort to the residents of the old age home

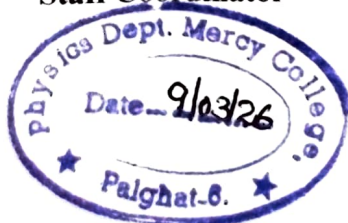

On **9 March 2026**, **26 final year B.Sc. Physics students** visited Mercy old age home as part of a social outreach activity. The students spent time interacting with the residents, listening to their experiences, and sharing conversations. The visit created a warm and joyful atmosphere for the elderly residents and helped students realize the importance of caring for and respecting senior citizens.
