The programme was organized with the aim of providing employment opportunities and career guidance to the passing out undergraduate and postgraduate students of the 2026 batch.

The job fair offered several career opportunities in the insurance and financial services sector. The vacancies available during the recruitment drive included the positions of Agency Leader, Growth Manager, Financial Advisor, and Elite Insurance Manager. These roles provided students with opportunities to begin their professional careers in a reputed financial organization.

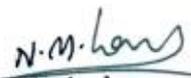

Around 60 students from different departments actively participated in the job fair. The recruitment process began with the first level of interviews conducted at Mercy College by the representatives of Federal Ageas Life Insurance. During this stage, students were assessed based on their communication skills, confidence, and suitability for the offered job roles.

Students who successfully cleared the initial screening were shortlisted for the final round of interviews, which was scheduled to be conducted at the Federal Ageas Life Insurance office in Palakkad.
