

REPORT ON BHARATHIYA BASHAS

The seminar on “**Bharathiya Bhashas**” organized by the Department of Computer Science, Mercy College, Palakkad on **30 January 2026** was a great success. The programme effectively fulfilled its objectives and contributed to the holistic development of students by combining cultural awareness with academic learning. Such initiatives strengthen national identity and promote respect for India’s rich linguistic heritage. The seminar helped students develop a deeper understanding of the importance of Indian languages in national development and cultural identity. Students gained awareness about the relevance of Bharathiya Bhashas in modern technology and communication systems.
