REPORT

  As a part of AI appreciation day Of 16th July 2025, Department of Computer Science conducted an AI video cartooning competition.The main aim of the event was to spread awareness about different AI tools. Students were asked to prepare cartoon video using different AI tools which emphasises the importance of Artificial Intelligence. Seven teams participated in the event and the winning team was awarded with cash prize.Participation certificates were given to all the participants.A lot of enthusiasm was seen in the students during the competition. The event was conducted successfully with wholehearted participation.
