**Report on INCEPTA – A Research Paper Presentation 2025**

Date and Time: 12:50 pm, 10th July 2025(Friday)

Venue: EV Seminar Hall

The Department of Economics, Mercy College, Palakkad, organized **INCEPTA – A Research Paper Presentation** by postgraduate students on 10th July 2025 at 12.50 PM in the EV Seminar Hall. The event served as an academic platform for second-year PG students to showcase their research findings and share insights on various socio-economic issues, while also providing first-year students a valuable exposure to research methodologies and presentation practices.

A total of nine PG students presented their research papers on diverse and relevant topics such as Socio-economic conditions of pickle manufacturing units, Growth and challenges of soft drink industries, Livelihood analysis of pet shop owners, Role of microfinance in women empowerment and other significant grassroots economic themes

The session began with a welcome address by Aiswarya T, a first-year PG student, who highlighted the importance of research and peer learning in postgraduate studies. Each presentation was followed by a brief discussion, allowing students and faculty to engage critically with the findings. The audience included both faculty members and first-year PG students, who benefited greatly from the practical insights shared.

The program concluded with a vote of thanks delivered by Anusree, also a first-year PG student, who expressed gratitude to the presenters, faculty, and attendees for their participation and support.

This was an intellectually stimulating event that not only celebrated student research but also inspired the first-year PG batch by giving them a preview into the process of academic inquiry and project development.
