Date: 17th November – 22nd November 2025

Time: 9 AM – 4 PM

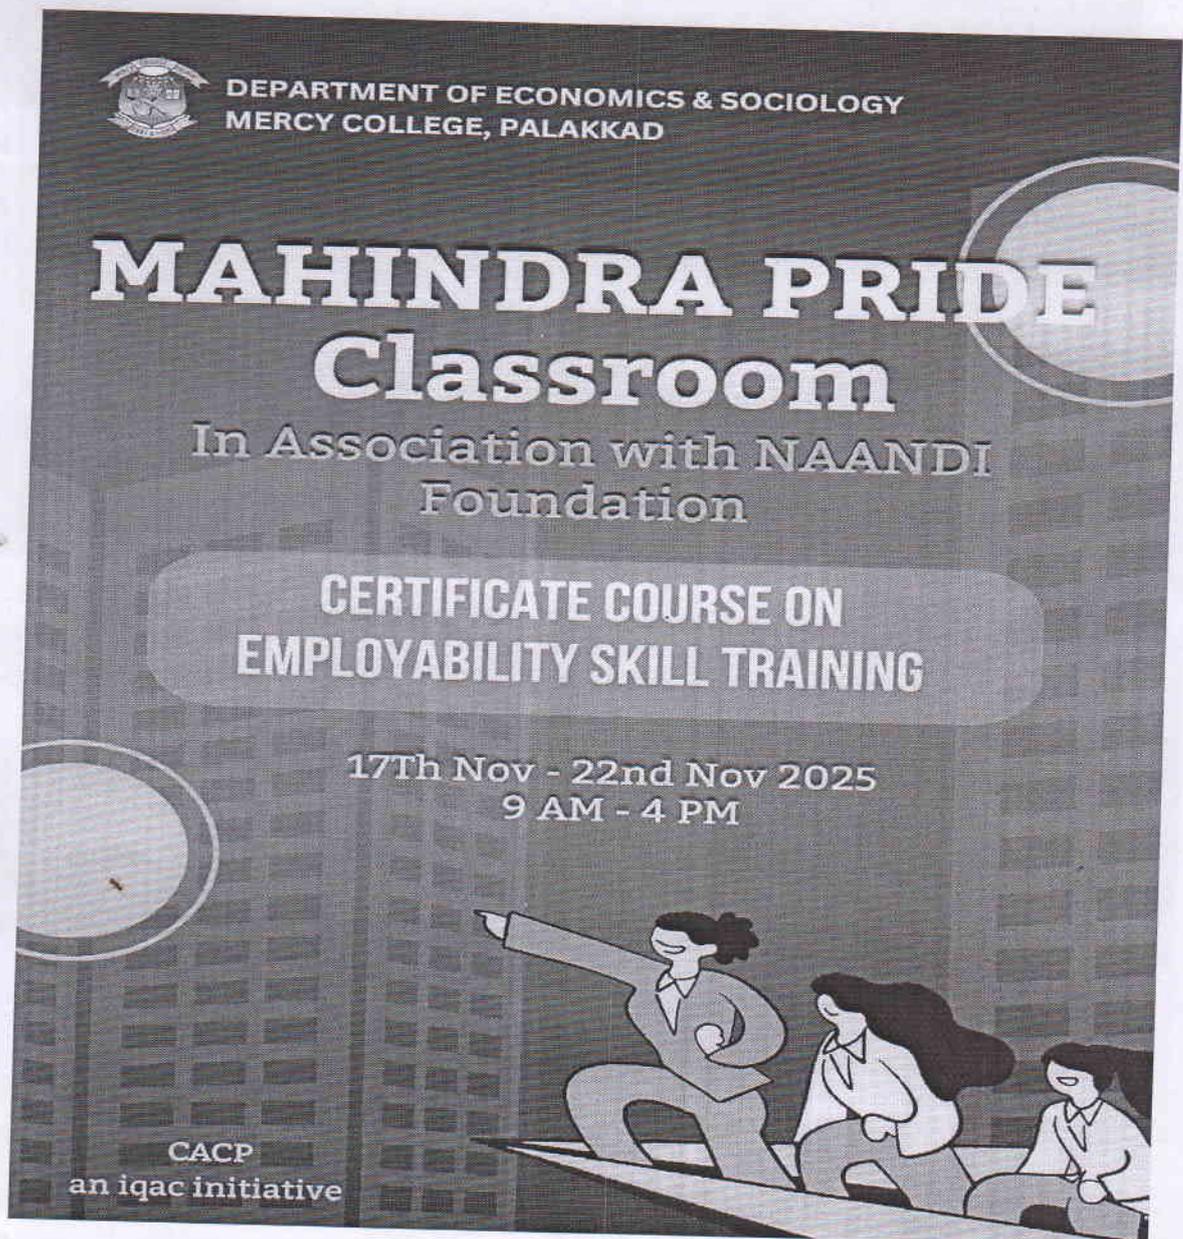

Venue: EV 39

The Department of Economics and Sociology, Mercy College, Palakkad, conducted a six-day Certificate Course on Employability Skill Training under the Mahindra Pride Classroom initiative, in collaboration with the Naandi Foundation. The programme was organised as part of the college's CACP and IQAC initiatives, aimed at enhancing the employability competencies of the final-year undergraduate students. The course was held from 17th November to 22nd November 2025, with full-day sessions from 9 AM to 4 PM. 59 final-year students participated enthusiastically throughout the programme. The six-day training covered essential employability skills including communication skills, interview preparation, résumé building, workplace etiquette, teamwork, leadership, and basic digital skills. The sessions were highly interactive and activity-based, enabling students to gain hands-on experience and practical knowledge relevant to the professional world.

Resource trainer Mr. Sarath from the Naandi Foundation facilitated the sessions using engaging methods such as group discussions, mock interviews, presentations, role-play activities, and real-life problem-solving tasks. Students actively participated in all learning modules, demonstrating keen interest and commitment. On the final day, a concluding

session and feedback circle were held, where students shared their learning experiences and expressed their appreciation for the programme. Following this, certificates were distributed to all participants, acknowledging their successful completion of the employability skill training course.

The six-day certificate programme proved to be highly beneficial, equipping the final-year students with valuable skills, increased confidence, and enhanced readiness for placement opportunities. The Department of Economics and Sociology, along with the Naandi Foundation, contributed greatly to making the programme successful and impactful.
