Mercy College Palakkad

REPORT ON STUDY TOUR

The Department of Economics and Sociology, Mercy College Palakkad, organised a three-day educational tour covering major cultural, historical, and natural destinations including Coorg, Periyapattanam, Shravanabelagola, Belur, Halibedu Hoysaleswara Temple, Udupi, Malpe Beach, and St. Mary's Island. The tour was designed to provide students with experiential learning, exposure to heritage sites, and relaxation through nature-based experiences. A total of 39 students and 2 accompanying faculty members participated in the tour.

The journey began with great enthusiasm as students and staff travelled to Coorg. Upon arrival, the group visited scenic viewpoints and natural trails, enjoying the lush greenery and cool climate of the region. The natural beauty of Coorg set a refreshing tone for the days ahead. The second day focused on historical and cultural learning. At Shravanabelagola, students witnessed the magnificent statue and learned about its cultural significance. Visits to Belur and Halibedu Hoysaleswara Temple offered deep insights into Hoysala architecture, carvings, and temple history. These visits enriched the students' understanding of South Indian heritage and architectural excellence. The final day included visits to the coastal town of Udupi, where students experienced the spiritual and cultural ambience of the region. At Malpe Beach, the students enjoyed recreational activities and group interactions. A boat trip to St. Mary's Island became the highlight of the tour, with its unique rock formations, crystal-clear waters, and breath-taking scenery providing a memorable experience for all.

The three-day tour successfully blended education, exploration, and enjoyment. The students gained valuable exposure to history, architecture, cultural sites, and natural

landscapes. The active participation of 39 students and the dedicated guidance of two staff members ensured smooth coordination throughout the journey.

The tour was both informative and memorable, strengthening bonding among students and creating lifelong memories.
