**Report on the Observance of International Day of Persons with Disabilities**

Date: 3<sup>rd</sup> December 2025

Time: 10:30 AM

Venue: Principal Room

The Department of Economics & Sociology, Mercy College Palakkad, in association with Changathikoottam, observed the International Day of Persons with Disabilities on 3 December 2025. The programme aimed to promote awareness about the rights, dignity, and inclusion of persons with disabilities and to encourage a more compassionate and inclusive society.

The event began with an oath-taking ceremony, where all students and faculty members in their classrooms pledged their commitment to uphold the values of equality, respect, and accessibility for persons with disabilities during the morning assembly. The oath emphasized the importance of eliminating discrimination and ensuring that individuals with disabilities are given equal opportunities in education, employment, and social participation.

Following the oath, a gift distribution programme was organized in the principal room inviting all differently abled students, as a gesture of solidarity and care. Gifts were distributed to differently abled students, highlighting the institution's commitment to supporting and uplifting persons with disabilities. The activity served as a small yet meaningful step towards recognizing their contributions and ensuring they feel valued and included within the community.

The programme reflected the theme "Fostering Disability-Inclusive Societies for Advancing Social Progress." Principal Dr Sr N M Louly spoke briefly about the importance of creating inclusive environments in educational institutions and society at large. Some of the differently abled students showcased their talents in the brief meeting. Students actively participated in the programme, demonstrating empathy, awareness, and social responsibility.

## Outcome of the Programme

The programme successfully created awareness among students about the challenges faced by persons with disabilities and the importance of inclusivity. The oath-taking encouraged participants to adopt more inclusive attitudes and behaviours in their daily lives. The gift distribution activity helped cultivate a sense of compassion, respect, and social responsibility among students. Overall, the event reinforced the college's commitment to building a more inclusive and supportive society, aligning with the broader goals of social justice and equality.
