Career Guidance and Placement Cell of Mercy College Palakkad organised a Job Fair Program on 17th July 2025. This Job Fair aims for the passed-out batches of undergraduate and Post graduate alumni members of our college only. The job fair was conducted in association with nirmaan.org supported by Infosys Foundation, a Youth Employment Program. The venue of the Job fair was OSA block of Mercy college and conducted from 9 am to 2 pm. Around 75 students were participated in the Job fair. The primary purpose of a job fair is to act as a platform for recruitment and networking, benefiting both job seekers and employers. Job seekers met and interact with representatives from various companies as first round and gaining insights into company cultures, job openings, and the application process. Few students were shortlisted in the first round and the second round is conducting bases on the face-to-face interview.
