Report on Pre-Placement Connect by Cognizant

A Pre-Placement Connect Session was organized by Cognizant Technology Solutions on September 26, 2025, at 3:00 PM in virtual mode(zoom). The session was conducted to provide insights into the Analyst Trainee hiring process for the 2026 batch.

The session was open to students pursuing any 3-year undergraduate degree such as BCA, BSc, BA, BBA, BCom, BVoc, and BMS. The objective of the session was to help students understand the eligibility criteria, job role, required skills, and recruitment process for the position of Analyst Trainee at Cognizant.

During the session, Cognizant representatives elaborated on the company's work culture, career growth opportunities, and the importance of adaptability and continuous learning. They also discussed the various stages of the selection process, including the online assessment, technical interview, and HR interaction.

Students actively participated in the interactive session, asking questions about career progression, skill expectations, and work environment at Cognizant. The representatives encouraged students to enhance their analytical, communication, and problem-solving skills to succeed in the recruitment process.

Overall, the session proved to be informative and engaging, providing valuable guidance to the students of the 2026 graduating batch. It helped them gain a clearer understanding of the Analyst Trainee role and the opportunities available at Cognizant.
