World Cancer Day 2026

Hair Donation & Awareness Campaign

Venue: Auditorium

Date: February 4, 2026

Time: 10.30 am

On World Cancer Day 2026, our department organized a multifaceted event to raise awareness and support cancer patients on February 4, 2026. The event featured a hair donation campaign, awareness session, and a impactful street play performance at the college auditorium.

Around 23 individuals generously donated their hair, with lengths of 30 cm, to support cancer patients undergoing chemotherapy. The donated hair will be handed over to Amala Hospital, Thrissur which makes wigs for cancer patients.

Dr. Sreevidya M P, Palana Hospital, Palakkad, a renowned gynaecologist, led an awareness session, shedding light on cancer prevention, early detection, and treatment options. Her insights helped attendees understand the importance of cancer awareness and the role they can play in supporting those affected.

The event also featured a powerful street play performance by social work students, highlighting the impact of cancer on individuals and families. The performance sparked meaningful conversations and encouraged attendees to act. The program coordinated by Ms. Sreya M, faculty, Ms. Dilsha D and Ms. Yasmin P A, student coordinators.

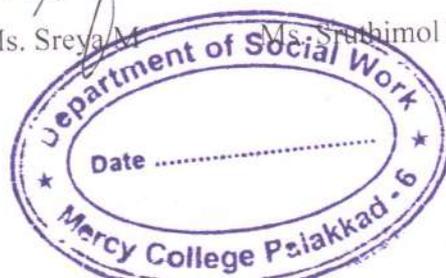

The event aimed to reduce stigma around cancer and promote early detection and support. By engaging the community, we hope to make a difference in the lives of those affected by cancer. The event saw enthusiastic participation from students, faculty, and community members, demonstrating our collective commitment to supporting cancer patients and promoting awareness.
