MERCY COLLEGE, PALAKKAD, KERALA, INDIA- 678006

(NAAC Re-accredited 'A' Grade), Affiliated to the University of Calicut

World Social Work Day 2026 – 17/03/2026

The Department of Social Work observed World Social Work Day 2026 with meaningful activities aimed at promoting social responsibility, unity, and professional awareness. As part of the observance, the department organized a webinar and a community outreach initiative, reflecting the core values of social work practice.

The highlight of the celebration was a webinar on the theme "Digital Harambee: Using Digital Spaces to Co-build Hope and Harmony in a Divided Society." The session was led by Mr. Mohammed Elthaf K C, Assistant Professor, Department of Social Work, Ideal College for Advanced Studies, Malappuram. The resource person provided insightful perspectives on how digital platforms can be effectively utilized to foster collaboration, inclusivity, and social cohesion in today's fragmented world. He emphasized the role of social workers in harnessing technology to create positive social change, bridge social divides, and amplify marginalized voices. The session was highly interactive, encouraging students to reflect on the ethical use of digital spaces and their responsibilities as future professionals. Participants actively engaged in discussions, making the webinar both informative and thought-provoking.

In addition to the academic component, the department also undertook a compassionate outreach activity by distributing food to destitute individuals in Palakkad town. This initiative aimed to instil a sense of empathy, social commitment, and service among the students. The observance of World Social Work Day 2026 was thus marked by a balanced blend of knowledge sharing and social action. It provided students with an opportunity to connect theoretical learning with real-world practice, while also highlighting the significance of solidarity and collective effort in building a more just and harmonious society.
