REPORT ON WORKSHOP ON HARDWARE REASSEMBLING

The **Department of Computer Science, Mercy College, Palakkad** successfully organized a **Hardware Reassembling Workshop** from **28 July to 30 July 2025**. The workshop was conducted with the objective of

- To introduce students to internal computer hardware components

- To provide practical training in disassembling and reassembling systems

- To develop technical and troubleshooting skills

- To enhance confidence in handling hardware equipment

- To bridge the gap between theoretical knowledge and practical application.

A total of **30 students benefited** from this training program.
