

REPORT ON MERCY HOME VISIT

As part of the social responsibility and community outreach initiatives of Mercy College, Palakkad, the Department of Computer Science organized a visit to **Mercy Home** on **22nd December 2025**. The visit aimed to instill social values, compassion, and a sense of service among students while contributing positively to society. During the visit, students and staff engaged in various meaningful activities, including Friendly interaction with the residents of Mercy Home, Distribution of essential items and refreshments, Cultural interaction through songs, conversations, and group activities.
