Distribution of Saplings and ജവൈം (campus food waste compost) to the students of GLPS Kallikad

The PG and Research Department of Botany, in association with the IQAC, organized a sapling and ജവൈം (campus food waste compost) distribution programme for the students of GLPS Kallikad on 06-07-2025, Thursday. The event was inaugurated at 12:50 PM by Smt. Bindu, Headmistress of GLPS Kallikad.

The programme was coordinated by Dr. Jelly Louis and Dr. Sr. Sindhu K. K., who were also felicitated on the occasion. Aiswarya, third year student addressed the school students, emphasizing the importance of environmental conservation and the role young minds can play in sustainable practices. This green initiative was led by the third-year B.Sc. Botany students as part of their commitment to environmental outreach and community engagement. 28 degree students and 39 school students attended the programme. They distributed saplings of various ornamental plants and vegetables.
