[Re-accredited with 'A' Grade by NAAC in IV cycle]

### One-day Workshop on AI in Everyday Life [23 Aug, 2025]

*METS – Mercy Extension Activity*

**A**rtificial Intelligence (AI) stands as pivotal bridge at the forefront of modern technology. Its seismic impact spans from enhancing accessibility, comprehending personal preferences and tailored support to revolutionizing our living spaces.

The Department of Zoology in collaboration with the Sasthravedhi, Palghat Chapter organized a **One-day Workshop on 'AI in Everyday Life'** on **23 August, 2025**. Faculty and students from MES EMHSS, Olavakkode, Lions School, Palghat, etc., participated in the workshop. The programme explored how the general public and experts compare in their experiences and views around the use of AI-powered chatbots, and their control over AI's role in their lives. The session actively debated around the difficulty/inability to opt out of AI. The resource person for the programme, **Sri. Sunil Prabhakar, AI Educator** spoke about the pervasiveness of AI in daily life, and asserted that a harmonious balance between autonomy and the human touch is crucial in harnessing the potential of these technological advancements. No. of beneficiaries – 112.
