Report on Interactive Talk Series by Alumnae

The Department of Computer Applications, Mercy College Palakkad, organized the first session of the **Interactive Talk Series by Alumnae** on **25 June 2026** in the Seminar Hall. The session, titled “**From Campus to Corporate,**” was led by **Ms. Prarthana Ponnath**, Cloud Operations Engineer at CDW, Bengaluru, and an alumna of the BCA 2018–21 batch. She shared her inspiring journey from student life to a successful corporate career, highlighting the skills, dedication, and continuous learning required to excel in the IT industry.

The session was highly interactive, with students actively participating by asking questions about career opportunities, interview preparation, workplace culture, and higher studies. The speaker encouraged students to strengthen their technical knowledge, communication skills, and confidence to meet industry expectations. Students expressed that the session was informative, motivating, and gave them a clearer understanding of the transition from campus to the corporate world. The programme concluded with positive feedback from participants, who appreciated the practical insights and real-life experiences shared by the alumna.
