Report:

Mukti: Awareness Programme on Substance Abuse and Human Trafficking

Programme Objective:

The awareness programme, "Mukthi," was organized under the banner of *Prakashini* club to educate students and the public about the growing threats of substance abuse and human trafficking. The initiative aimed to promote healthy lifestyles, encourage responsible decision-making, and foster social responsibility among young people. It also sought to strengthen community participation in creating a drug-free and safer society.

Report:

An Awareness Programme on Substance Abuse and Human Trafficking titled "Mukthi" was inaugurated at the college by Sri. Ramesh Pisharody, Hon. MLA of Palakkad on 10 July 2026. The programme was jointly organized by the PG Department of English and the OISCA Women's Chapter. The function was presided over by Principal, Dr. Sr. N. M. Louly, and senior members of the OISCA Women's Chapter graced the occasion. As part of the event, the students took a pledge against drug use, reaffirming their commitment to building a drug-free society.

The programme was followed by a walkathon led by the students of the Department of English, along with students from neighbouring schools, spreading awareness among the public. The students of OISCA Vidyavikas School presented a vibrant flash mob conveying powerful anti-drug and anti-trafficking messages. This was followed by a thought-provoking street play performed by the students of the Department of Social Work, Mercy College, highlighting the devastating consequences of substance abuse and human trafficking. Dr. Sreedevi K. Menon was the faculty co-ordinator and Sreya M. was the student co-ordinator of the programme.

Programme Outcome:

The programme successfully created awareness about the harmful effects of substance abuse and the realities of human trafficking among students and the wider community. The walkathon and cultural performances enhanced public engagement and encouraged meaningful discussions on these important issues. The anti-drug pledge inspired students to adopt responsible attitudes and become ambassadors of positive change. Overall, "Mukthi" achieved its objective of promoting awareness, social responsibility, and a collective commitment to building a safer and drug-free society.
