Report ON Interactive Talk Series by Alumnae - second session

The Department of Computer Applications, Mercy College Palakkad, organized the **second session** of the **Interactive Talk Series by Alumnae** on **10 July 2026** at the Seminar Hall. The session, titled “**From Campus to Corporate,**” was delivered by **Ms. Aryasree T G**, Team Lead and Senior Software Developer at **Baseel Partners**. As a distinguished alumna, she shared her professional journey, explaining how academic learning, technical expertise, and consistent effort helped her build a successful career in the software industry.

The session was highly engaging, with students actively interacting with the speaker and seeking guidance on software development, career planning, internships, interview preparation, and workplace expectations. Ms. Aryasree encouraged students to focus on continuous learning, problem-solving skills, teamwork, and effective communication to succeed in the corporate world. Students appreciated the practical advice, real-world experiences, and motivational insights shared during the session. The programme concluded with an enthusiastic feedback session, where participants expressed that the interaction boosted their confidence and provided a clear perspective on preparing for a successful IT career.
