Report on "Elocution Competition- Yuvashabham 2026"

Organized jointly by Anti-Drug Cell, Mercy College, Palakkad and Kerala State Collegiate Education

The Anti-Drug Cell of Mercy College, Palakkad, in collaboration with the Kerala State Collegiate Education Department, organized a College-Level Elocution Competition on 14th September 2026 as part of awareness initiatives. The theme of the competition was "Yuvashabdam 2026", focusing on creating awareness against drugs and promoting a safe and supportive campus environment. The programme aimed to encourage students to voice their perspectives on the harmful effects of drug and the importance of mutual respect among peers. A total of nine students from various undergraduate (UG) and postgraduate (PG) programmes actively participated in the competition. The participants delivered insightful and thought-provoking speeches, reflecting a strong understanding of the social and psychological impacts of drug. The event provided a platform for students to express their ideas confidently and contributed to strengthening the institution's commitment towards maintaining a drug-free campus. The programme concluded successfully with positive engagement from participants and organizers.
