Mercy Mentoring-2
Inviting Schools for Scientific Knowledge Acquiring

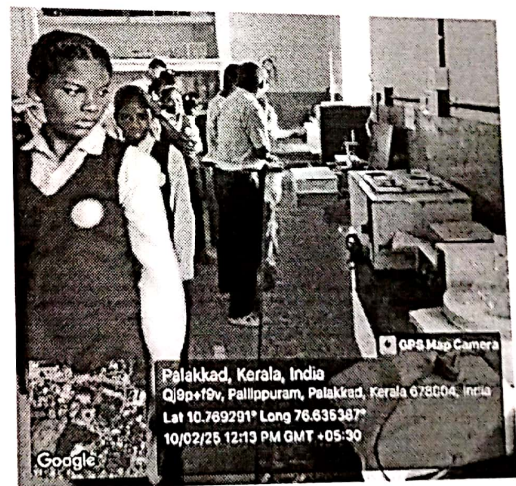

Mercy mentoring, is an initiative of Research and PG Department of Botany that has underwent its second session by inviting the school students to the Botany Department for the visualization and understanding the wet and dry specimen samples preserved in the lab. In addition, they have given a chance to equip knowledge by visiting lab facilities accounting that they may need for their future studies. A total of 71 students of Ashramam Malampuzha HSS school, Palakkad have benefitted through this approach on 10/02/2025. The department have provided the specimens to the school for maintaining repository specimen in their labs which was collected by the postgraduate botany students during their study.
