Accredited by NAAC with A Grade IV Cycle

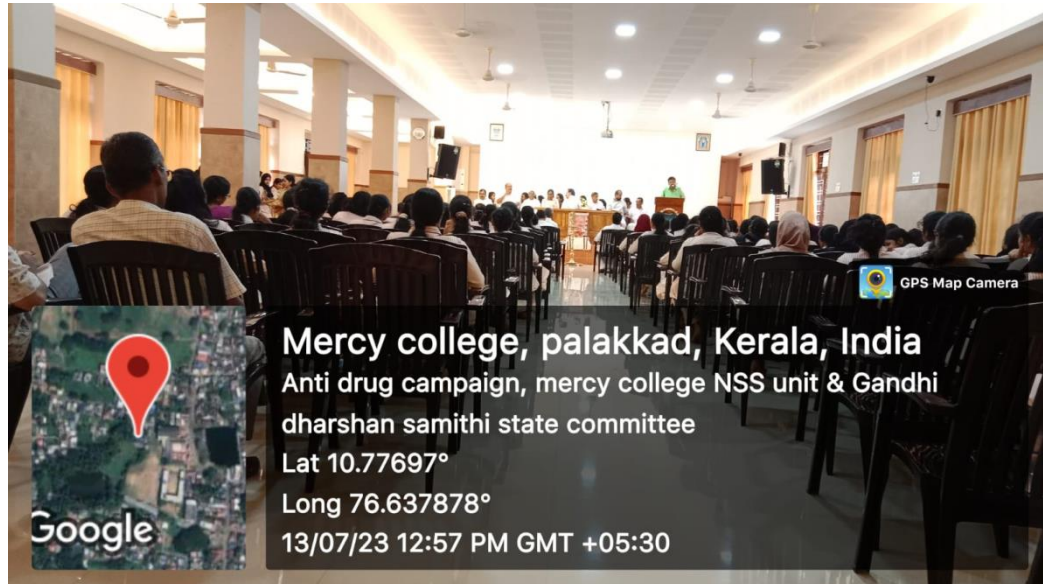

Report of Anti-Drug cell 2023-24

The ant drug cell has been formed according to government instructions to sensitise students against drug and substance abuse.

1. On the 26th of June 2023, students from the Department of Physics undertook an Anti-drug awareness campaign in a neighbouring Government school. This initiative was aligned with the International Day against Drug Abuse and Illicit Trafficking. Our team of 30 students and 2 teachers visited Government Higher Secondary School, Big Bazar. Students caught the attention of children through a dance drama and used it as a mean to convey the message of bad effects of using drugs. We reached an audience of approximately 400 students in the schools. The Principal of the institution appreciated Mercians for their unwavering dedication to the betterment of society.

2. On July 13 2023 an Anti-drug awareness campaign was organized by NSS unit of Mercy College and Gandhi dharshan Samithi state committee. The inaugural address was given by Sri Ramesh Chennithala (Former Opposition Leader).

Members present in the meeting.

- 1 Dr. Sr. Jorry T.F.
