### ***International Day against Drug Abuse & Illicit Trafficking – 2025***

***Programme: Street Play & Poster Making Competition***

***Venue: College Campus***

***Date: June 26, 2025***

The Department of Social Work, Mercy College, Palakkad, observed the International Day Against Drug Abuse and Illicit Trafficking on 26th June 2025 with a series of awareness activities aimed at educating students and the public about the dangers of drug abuse and the importance of early prevention.

As part of the observance, the department organized a poster-making competition based on the theme "A Safer Tomorrow Begins with Prevention Today." The competition was open to students from various departments, and around 12 students actively participated in the event. The posters reflected strong messages advocating against drug use, emphasizing the need for collective responsibility, and suggesting healthy lifestyle choices for youth. A panel of faculty members evaluated the posters based on creativity, relevance to the theme, and impact. Prizes were awarded to the top three participants to recognize and encourage their efforts in promoting the message of prevention.

In addition to the poster competition, the social work students performed a powerful street play on campus. The play focused on the real-life consequences of drug addiction, peer pressure, and the importance of family and community support in the recovery process. The performance drew significant attention from students and faculty, effectively spreading awareness in an engaging and relatable manner. Ms. Sruthimol K, faculty, Ms.Thulasi A V, and Sayana K Simon, first year social work students coordinated the program.
