

Report of the Signing of MoU with Ahalia International Foundation

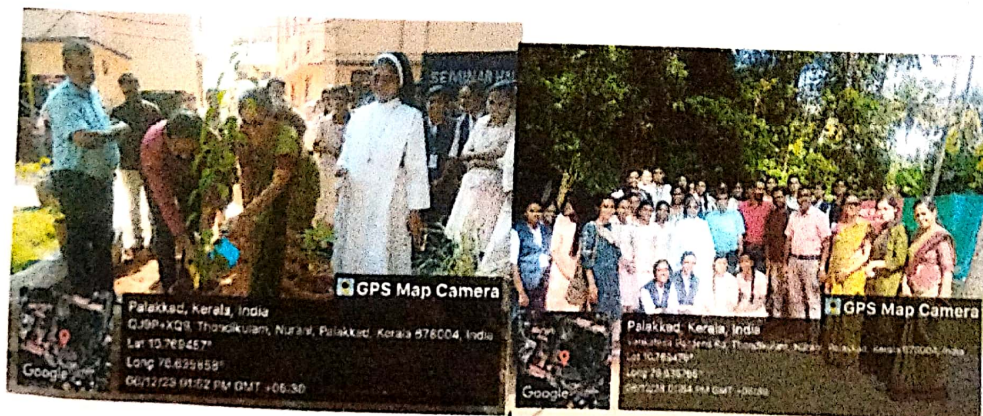

And

Inauguration of Sthree Sakthi medicinal plant plot

P G And Research Department of Botany, Mercy College, Palakkad entered into a Memorandum of Understanding for undertaking collaborative research and extension activities with Green Ahalia, Ahalia International Palakkad. This was signed on 06-12-2023 by Dr. Sr. Jorry T. F., Principal of Mercy College, and Sri. Dinil M. R., Trustee, Ahalia International Foundation. Dr. Haridasan K. of Green Ahalia, Ahalia International, presented the various activities carried out by Green Ahalia and the possibilities for students to pursue research in the field of botany and biodiversity.

The activities under the MoU were inaugurated by erecting a medicinal plant plot named Sthree Sakthi. This garden displays several medicinal plants that are used to preserve women health.
