REPORT

VALU EDUCATION PROGRAMME: DATED : 24 MARCH 2025

The Department of Languages, Mercy College, Palakkad, organized an awareness talk on "**The Importance of Mental Health Awareness Among Youth**" on 24th March 2025 to highlight the significance of mental well-being among students. The session aimed to educate students on mental health, break stigmas, and promote self-care practices. Dr. Sr. Sherin Joseph delivered an insightful speech on the challenges faced by young individuals, including academic stress, social pressures, and emotional struggles. She emphasized the importance of recognizing mental health issues early, adopting stress management techniques, and seeking help when needed. The talk encouraged students to prioritize their mental well-being and support their peers in creating a healthier, more understanding environment. The event was highly impactful, fostering awareness and discussion on a crucial aspect of student life.

Aim of the Program:-

- * To raise awareness about mental health among youth and its significance in daily life.
- * To emphasize stress management techniques and coping strategies for emotional well-being.
- * To break the stigma surrounding mental health issues and encourage open discussions.
- * To educate students on recognizing mental health challenges and seeking timely support.
- * To promote self-care practices and create a supportive environment for overall well-being.
